## A Spiritual Soiree

featuring

## The Waterists

On Saturday, January 7, 2017, from 3:00 to 4:30 pm, Tabla Rasa Gallery will host a soiree of original devotional poetry, song and dance. With paintings by Alfonse Borysewicz on view, Konstantin Kulakov will recite excerpts from **Excavating the Sky** to original music by Toby Twining, played on the resophonic guitar made for the late Lou Harrison. In addition, Darla Stanley will improvise as Kulakov recites "Distances." The soiree will culminate in Twining's composition for tenor voice and guitar, **Holy Radiators**, which provides a setting of Kulakov's four poems for Advent, sung by John Bellemer.

The public is invited to this celebratory performance, on the closing weekend of Tabla Rasa's exhibition of spiritually inspired art, SANCTUARY.
